Connecting to Cottonwood City Wi-Fi
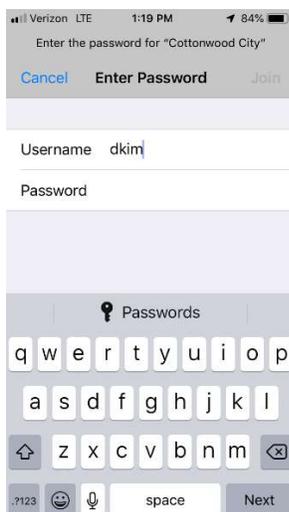

On an Apple iOS Device

Step 1. On your apple device go to Settings > Wi-Fi

Step 2. Make sure Wi-Fi is enabled (slider shows green)

Step 3. Tap Cottonwood City

Step 4. Enter your username (this is the first part of your email address) and password (same password as your email). Then tap Join.

Step 5. Tap Trust

You are connected to the Cottonwood City Internal Network. Please remember to use this wifi network on your own devices; it is not to be used for any non-employee devices such as guests. For any questions or issues please contact helpdesk@cottonwoodaz.gov or dial HELP (4357) from your desk phone.
