Planner Hayden presented a draft copy of the plan. If the Commission chooses to recommend the plan, it may be presented to City Council in May.

Commissioner Edwards asked about the project timeline and suggested additional data be included in the plan. Director Ellis agreed the suggestions would be good inclusions if the Commission agrees. Commissioners planned to make submissions to Planner Hayden prior to the next meeting, and review the updated draft for discussion with additional inclusions.

VI. DISCUSSION ITEMS: NONE

1. **Cottonwood Historic Property Tour**

Planner Hayden said the committee will be moving forward with a sponsor packet for recruiting, the next committee meeting will be on May 7, 2024 from 2-3 p.m., and the group is developing a tour map. Tricia Lewis, Tourism and Economic Development Director for the City of Cottonwood, will be assisting with advertising, social media, and swag costs.

2. **May – National Preservation Month**

Planner Hayden said this item is for awareness, and possible staff direction. Possible promotion of the fall property tour was suggested with acknowledgement of the National Preservation Month in a Chamber of Commerce newsletter.

3. Discussion regarding proposed project for the Arizona SHPO Pass-through application submittal.

Planner Hayden reviewed a copy of the current grant application. The last project was a survey and inventory of the residences within the Old Town Special Planning Area. A project needs to be proposed for completion of the grant application and staff seeks Commission direction on which project to propose. An archeological survey or the development of a cultural sensitivity map were discussed as potential projects. Staff will be requesting approval from City Council to submit the application to SHPO.

4. Certified Local Government (CLG) Update

Planner Hayden said Cottonwood is currently certified as a CLG, the Strategic Plan will be a component of compliance for the CLG status, and an annual update of commissioner resumes is also required.

5. Landmarking Committee

Chairman Collins asked for staff to have the item included on the next agenda.
