INTRODUCTION

The Community Development Department promotes a safe, dynamic, and vibrant community, and enhances the living, working, and recreation choices for the City of Cottonwood. The department includes the following divisions: Planning & Zoning, Building, and Code Enforcement.

The Planning & Zoning Division plays an integral role in maintaining the quality of development in the City of Cottonwood, which includes assisting developers and the general public in administering the Zoning Ordinance and other regulations. The Planning & Zoning Department is responsible for support of the Planning & Zoning Commission, the Historic Preservation Commission, and the Board of Adjustments.

The Building Division serves an integral role in the development of the City of Cottonwood by ensuring that all construction within the City meets current building codes adopted by the City Council.

The Ordinance Enforcement Division plays an integral role in maintaining the quality of life in the City of Cottonwood, assisting developers and the general public with negotiating zoning and other regulations to the mutual benefit of everyone. The Ordinance Enforcement Division is responsible for the routine processes of administering and interpreting the Zoning Ordinance, serving as the enforcement branch of the Community Development Department, and handling animal control until June 30, 2023 for the City of Cottonwood. As of July 1, 2023, responsibility for animal control enforcement was moved to the Cottonwood Police Department.

APPLICATION SUBMITTAL INFORMATION

Use of the SmartGov application management software was implemented in January 2023. This software is used to track cases, applications, and permits for Code Enforcement, Planning, and Building. Applicants can access all Community Development applications through the following link:

<https://ci-cottonwood-az.smartgovcommunity.com/Public/Home>

Staff is continuing to onboard other departments applications into SmartGov including Fire, Public Works, and Airport. The goal is to create a one-stop-shop for applicants for all of their permitting and application needs.

PLANNING & ZONING DIVISION

The Planning & Zoning Division performs both current and long-range planning activities.

CURRENT PLANNING:

The Planning & Zoning Division involves the management of all development applications, which are reviewed for compliance with the Zoning Ordinance, General Plan, and other code documents. This includes general development proposals, as well as zoning changes, subdivisions, minor land divisions, master-planned developments, annexations, conditional use permits and variances. The process may include initial contact with applicants, preliminary meetings with the Code Review Board and additional presentations to the Planning & Zoning Commission, Board of Adjustment and/or City Council.

PLANNING PROJECTS:

Current projects consist of updating sections of the Zoning Ordinance, including general provisions, landscaping, parking, drive-thru elements in commercial zones; and processing everyday permits associated with new development (commercial and residential).

LONG RANGE PLANNING:

Long-range planning includes research and development for the City of Cottonwood's General Plan and Zoning Ordinance amendments, and other duties that address future interests of Cottonwood. Long-range planning also includes special studies, project analysis, code amendments, and plan development that affects the long-term well-being of the City of Cottonwood.

Our Senior Planner, Gary Davis has been diligently working on our 2024 General Plan Update. In addition, he has created a document called, *The City Atlas*. It is a collection of maps, charts, and text compiled to present a comprehensive description of Cottonwood, Arizona. This edition contains the most up-to-date information available as of the end of the calendar year 2023. The topics in the *City Atlas* are arranged to align with the structure of Cottonwood's new General Plan, which is due to be adopted in 2024.

The City Atlas is intended to be used as a reference resource providing background for the 2024 update of Cottonwood's General Plan. After the adoption of the updated *General Plan*, the *City Atlas* will function as a companion document to the plan. Current information will be contained in the *City Atlas*, so the General Plan can focus on policies for the future. While the General Plan is a long-term document that gets a major update every ten years, the data in the *City Atlas* can be updated continuously.

HISTORIC PRESERVATION PROJECTS:

The Historic Preservation Commission conducted a historic residential property survey of residences within the boundaries of the Old Town Special Planning Area. The purpose of the survey is to determine the viability of establishing a residential historic district. The Commission will continue to apply annually for State Historic Preservation Office (SHPO) grants to further the process of establishing a residential historic district.

The Historic Preservation Matching Grant Program was initiated with a 50/50 match. The Historic Preservation Matching Grant is a competitive matching grant which grants eligible Landmarked properties the ability to apply for assistance for minor

improvements to the exterior of Landmarked structures. No applications for the matching grant were received for the 2023-2024 FY.

ORDINANCE ENFORCEMENT DIVISION

The Ordinance Enforcement Division seeks to maintain the beauty, safety, and comfort of the community through the enforcement of the Cottonwood Municipal Codes, Zoning Ordinances, and animal control issues for the City of Cottonwood. Accountability is maintained through the Hearing Officer process. Property owners are sent a Notice of Violation summoning them to a Hearing with a Hearing Officer. If the property is not abated before the Hearing, the owner is subject to fines within the discretion of the Hearing Officer. Upon the 3rd Hearing, the case can be recommended, by the Hearing Officer, to be pursued in the Cottonwood Municipal Court. In severe cases, a citation can be recommended directly to the Cottonwood Municipal Court.

Ordinance Enforcement/Animal Control Summary:

BOARDS AND COMMISSIONS

The Community Development Department provides the facilitation and staff coordination for the development process in Cottonwood. This includes providing coordination for the principal boards and commissions that help guide growth and development in the city.

CODE REVIEW BOARD

Staff Contact: Kristina Hayden, Planner, Community Development Department
(928) 634-5505, khayden@cottonwoodaz.gov

The Code Review Board is a staff-level committee comprised of representatives from several City Departments as well as outside agencies like the Yavapai County Health Department, that meet to provide a coordinated review of proposed developments. The purpose of the Code Review Board is to provide prospective developers with a review of various code requirements in advance of the submittal of a formal development application and/or building construction applications. Code Review applications must be accompanied by a complete submittal. Requirements include a complete submittal and application fee, which is set by the City Council. The Code Review Board typically meets once a week.

Meetings: Tuesday mornings. Scheduling requires submittal of a complete application at least one week in advance.

Time: 9:00 AM

Location: City Council Chambers - Riverfront, 1083 E. Riverfront Road & Police/Fire Department Conference Room, 199 S. 6TH Street.

HISTORIC PRESERVATION COMMISSION

Staff Contact: Kristina Hayden, Planner, Community Development Department
(928) 634-5505, khayden@cottonwoodaz.gov

The seven members of the Historic Preservation Commission are citizen volunteers appointed by the City Council to advise on matters relating to historic preservation. This includes the making of plans and policies for the identification, evaluation, protection, preservation, and enhancement of historic structures, historic landmarks and historic districts in the City of Cottonwood. They work to increase public awareness of the values of historic, cultural, archaeological, and architectural preservation, by developing and participating in public education programs.

Additionally, the Commission reviews development within a historic district, maintains and updates a local historic properties inventory, reviews and proposes sites and structures for designation as a historic landmark, and for listing on the National Register of Historic Places. Members are appointed for terms of three years. The Historic Preservation Commission included the following members:

| <u>Members</u> | <u>Term Dates</u> |
|-----------------------------|--------------------------|
| David Collins, Chair | 01/05/2021 - 05/05/2026 |
| Kristina Detjen, Vice Chair | 04/05/2022 - 02/18/2024 |
| Debbie Garrison | 06/04/2019 - 05/05/2026 |
| Joe Former | 06/04/2021 - 05/05/2024 |
| Randi Stephens | 06/04/2019 - 06/28/2023 |
| Raymond Mossey | 06/20/2023 - 10/25/2023 |

Historic Preservation Commission had 5 regular meetings, 1 special meeting. A total of 6 regular meetings were cancelled.

Meetings: Fourth Wednesday of each month, except when this conflicts with scheduled holidays, then the meeting is held on the third Wednesday of the month.

Time: 6:00 PM

Location: Staff and Commission may join in-person or virtually

Cottonwood Council Chambers - 826 N. Main St.

Riverfront Council Chambers - Riverfront, 1083 E. Riverfront Road

PROJECTS:

1. Annual Cottonwood Historic Property Tour

The annual *Cottonwood Historic Property Tour* was canceled this year. Commission and staff intend to reconvene in 2024 to achieve a property tour.

2. Historic Preservation Commission Small Grant Fund

The small grant fund is a 50/50 matching grant that provides up to \$3,500 for the exterior restoration/repair of landmarked properties. The Historic Preservation Commission approved a draft proposal of the application for the grant and directed staff to advertise. No eligible applications were received for the 2023/2024 fiscal year.

3. State Historic Preservation Office Pass-Through Grant

The City of Cottonwood received the State Historic Preservation Office (SHPO) Pass-Through Grant for the 2022-2023 grant cycle. The Pass-Through Grant is a matching grant between the State of Arizona and the City of Cottonwood (60/40) that totaled \$20,000.00 and was used to conduct a residential historic property survey. At the direction of the Historic Preservation Commission, staff did apply for the SHPO Pass-Through Grant for the 2023-2024 grant cycle, however, staff was informed that we did not receive the grant.

BOARD OF ADJUSTMENT

Staff Contact: Scott Ellis, Community Development Director
(928) 634-5505, sellis@cottonwoodaz.gov

In September 2008, the City Council approved the establishment of a separate five-member Board of Adjustment comprised of residents of Cottonwood appointed by the City Council. The Board acts in a quasi-judicial capacity by holding public meetings and considering evidence regarding requests for variances and appeals of decisions made

by the Zoning Administrator. Variances may only be granted where it is shown that there are special circumstances applicable to the property including size, shape, topography, location or surroundings, so that the strict application of the Zoning Ordinance would deprive such property of privileges enjoyed by other property of the same classification in the same zoning district. Variances cannot be granted due to a self-imposed hardship or because of financial reasons. Any variance granted is subject to such conditions as will assure that the adjustment authorized shall not constitute a grant of special privileges inconsistent with the limitations upon other properties in the vicinity with the same zoning. Members of the Board of Adjustment:

| Members | Term Dates |
|-------------------|-------------------------|
| Kyle Peltz, Chair | 12/07/2021 - 12/09/2024 |
| Richard Pierce | 01/07/2020 - 05/05/2024 |
| Randall McCall | 10/20/2020 - 01/09/2023 |

Variances:

No variances were requested.

Appeals:

No appeals were requested.

CONFERENCES AND TRAINING

Staff and board members are encouraged to attend conferences and training sessions periodically throughout the year to stay informed with the latest information in the field and to improve the quality of service to the public.
